Welcome

to the “Posted workers” conference in Lyon

Dear Madam, Dear Sir,

L’Association Européenne des Avocats – the European Association of Lawyers (AEA-EAL) is pleased to announce the next Congress in LYON on 23 November 2018, on the topic:

“Posted workers in Europe”.

LEGAL AND ECONOMIC ASPECTS:
SOCIAL PROTECTION OF WORKERS – NEEDS OF ENTERPRISES – UNFAIR COMPETITION?

On 29 May 2018, the European Parliament approved a revision of the Directive on posting workers within the EU, as the number of these workers increases every year.

All European countries as well as most important economic sectors are concerned.

We intend to approach legal and the economic aspects of this topic with speakers out of different countries of Europe, lawyers who are dealing with this matter, representatives of national and European authorities, in house lawyers from enterprises, sending out workers or receiving posted workers.

We will be pleased to welcome you on November 23 in the historic town of Lyon (*in the premises of the Lyon Bar, 176 Rue de Crequi, 60003 Lyon, France*) to discuss this topic!

Do not miss the unique opportunity of exchange of views about this issue, which economic and political impact is growing, provoking some distrust in the public opinion and in administration of hosting countries.

Monique Stengel
Immediate Past-President

Maria Ślęzak
President
