## Foreword of President

It was a pleasure to host our General Assembly online for the first time. New technologies allowed AEA-EAL members to gather on zoom and to discuss our activities and plans. New webinars were organized: the first one on professional ethics in the Covid-19 era together with the Consejo General de la Abogacia Espanola and the second one on response of various states to pandemic challenge. We invite you for the Twinning of Lawyers on September 12, 2020 together with the Odessa Bar (Ukraine).
