The Law Society of Hong Kong's 7th Belt and Road Conference was successfully held in November 2024 in Hong Kong in a hybrid format, attracting over 500 participants from various sectors from 32 jurisdictions.

By popular request, we are excited to announce that a **second instalment of the Conference** will take place virtually bearing the same theme.

Being an interactive continuation of the previous Conference, this Webinar will expand professional conversation among elite speakers and audience across various sectors and jurisdictions on this topical theme.

Don't miss this golden opportunity to gain insights and exchange ideas with the counterparts along the Belt and Road and beyond!

Session 1

Building a Peaceful and Fair Multipolar World to Advance Economies

Session 2

Promotion of Green Economy and the Use of Clean and Future Energy

Session 3

Advancing and Sharing Scientific and Legal Technological Innovation to Grow Economies
